

ADULT / CORPORATE PARTIES

Our adult / corporate parties are for a minimum group of 8 people. The parties run for 3 hours with instruction given at the beginning and our availability / help throughout. Parties are held in our private party room or the main floor studio when the store is closed (i.e. weekends after 6pm (7pm during Dec) or Mondays (anytime- Sept – Nov & Jan - June).

Groups of 20 or more may use the main floor studio if held on a weekday (call for availability) or after 6pm (7pm during Dec) on the weekend

How our pricing works.

If you walked in off the street and painted a \$20 ceramic item (bisque) the in-store studio (use of space, equipment, paints & the piece being clear glazed and fired in our kiln) would be \$14.

With the adult/corporate rate you may paint up to 3 items for a \$15 studio rate **PLUS** the cost of the items. Basically free studio for 2 additional items. Pieces range from \$3 to \$40, with a selection to suite every taste. Over 300 items to choose from, including house wares, kitchen, décor, kids & holiday. Guests must spend a minimum of \$12 per person on bisque. Studio pricing reduces depending on number of guests attending.

ADULTS per person	Base fee \$27 pp		
PAINT (3 hours) minimum 8 people		Studio fee (painting fees for 3 items)	+ cost of item(s) minimum \$12 pp spent on ceramic
	8-14 people	\$15	
	15-20 people	\$14	
	21-29 people	\$13	
	30+	\$12	
	Corporate	\$15	+ cost of item(s)

If the guest(s) do not have time to finish the item(s), we have hold shelves in the back and they may come back as many times as they like at NO additional charge to work on the piece(s).

You may bring in any food or beverages that you desire. Please plan on eating after your painting is done as grease from food make the paint not adhere during firing. You are responsible for cleaning up all food items.
